

CAESAR'S STEAK HOUSE
WILLOW PARK
Event Brochure - Dinner

Effective: March 2016 - Website

“In a city where beef is King, Caesar’s Steak House is a Calgary tradition.”
We proudly serve the finest aged beef that Alberta has to offer. Every steak is individually cut to order, charbroiled to your specifications and includes offerings to match any Emperor’s feast.

Caesar’s Steakhouse and Lounge was established in 1972 and the ownership has remained with the same families since inception. Our relationships with our customers, suppliers and our team is what has made Caesar’s a Calgary tradition.

Our downtown location is in the heart of the energy and financial district and only minutes away from most major hotels. Returning patrons will often ask for their father’s – or even their grandfather’s – table to enjoy a private dinner, celebrate a special occasion or for an important business meeting.

For our renewed Willow Park Village location, a glamorous new look for the Dining Room and Lounge was revealed in 2012. Now featuring an exciting new look, this traditional steak house is ready for the next generation of Calgary’s movers and shakers laying claim to their own table in our stylish Dining Room and sexy Lounge. Private and semi private areas are available.

The same suppliers have been with us for over four decades, and have provided us with the finest Sterling Silver Alberta Beef, aged a minimum of 28 days for the ultimate in tenderness and superior richness of flavor. Every steak is individually cut to order and charbroiled on our open flame grill.

A Wine Spectator “Award of Excellence” winner since 2013, Caesar’s takes pride in offering a selection of fine wines for a memorable pairing with our menu. We work closely with our wine importers who deal with some of the greatest winemakers in the world. These winemakers and suppliers also share a commitment to the enjoyment of life and to the strengthening of relationships with family, friends and the community so that we may enrich each other’s lives.

Most important is our team; they are as loyal as our patrons and suppliers, as the majority of our employees have been with us on average more than 20 years.

A steak dinner is more than just a meal; It can turn into a ritual of sorts, best performed not by a restaurant, but by an “Institution”

Captivating diners since 1972, Caesar's is undeniably old school. In rich surroundings of burgundy leather, golden hues, dark wood finishes and an open flame grill that evoke a sense of nostalgia, the setting is not the only thing that defines Caesar's, but rather a complete experience.

We have always served the best aged, individually cut to order and charbroiled beef that Alberta has to offer paired with accompaniments to match any Emperor's feast. Paired with classic cocktails, a Wine Spectator award of excellence wine list, and the art of service – a memorable night is assured.

This package is designed for group dining events of more than 14 people. Please contact our Managers for more information on this document and reservations.

Thank you for your interest, we look forward to hosting your event at Caesar's Steak House.
